Translation In any case, the German original shall prevail.

GS Certificate

Name and address of the holder of the certificate: (customer)
Kromer GmbH
Nägelseestraße 37
79288 Gottenheim
GERMANY

Product designation: **Spring balancers**

Type: 7200 ..., 7211 ..., 7212 ..., 7221 ..., 7222 ... (types, see Annex)

Testing based on: GS-HM-24 "Winches, lifting and pulling devices and their components", 2022-02

DIN 15112 "Spring pulls; safety requirements, testing", 1979-05

Test report: 2024-0002-01 dated 16.05.2024

Further details: Intended use:
Holding ready hand-held tools and equipment (retractors)

Follow-up certificate of HM 240031 dated 27.05.2024.

The type tested meets the requirements specified in section 20 para. 3 nos. 1-3 of the German Product Safety Act. Precautions have been taken in the production facilities to ensure that the ready-for-use products comply with the type tested (section 20 para. 3 no. 4 of the German Product Safety Act). The holder of the certificate is entitled to affix the GS mark shown overleaf to the products complying with the type tested. At that, the holder of the certificate shall observe the conditions specified overleaf.

The present certificate including the right to affix the GS mark is valid until: **2029-05-26**

Further provisions concerning the validity, the extension of the validity and other conditions are laid down in the Rules of Procedure for Testing and Certification.

Dr. Björn Otte
Head of Testing and Certification Body

GS mark

Standard design

Approved design for a
height of 20 mm or less:

-
1. The Testing and Certification Body shall, in regular intervals, carry out obligatory control measures for monitoring the production and the correct application of the GS mark.
 2. The Testing and Certification body shall withdraw the allocation of the GS mark from the holder of the certificate if the type tested does not comply with the requirements regarding safety and health under section 20 para. 3 nos. 1 to 3 of the German Product Safety Act or if the conditions at the production facilities are no longer met to ensure that the products can be manufactured in accordance with the type tested (section 20 para. 3 no. 4 of the German Product Safety Act).
 3. The GS mark shall only be applied and it shall only be used in advertising, if the conditions according to article 24 of the German Product Safety Act are met.

of GS-certificate No. HM 240031 dated 2024-10-07
